

TECNOFILIERE stand at CERAMITEC 2009 trade fair

"The results of CERAMITEC 2009 are outstanding for us. CERAMITEC is by far the most important trade fair in the world for the heavy-clay industry".

"We are fully satisfied with CERAMITEC 2009. We had many new and highly-qualified contacts and met visitors from 30 countries at our stand".

"CERAMITEC 2009 is the foremost platform to meet our international customers and fortify our business relations".

"The warm and perfect hospitality of the TECNOFILIERE stand, together with the flat bread piadina, coffee and further typical Italian specialties, has been the ideal setting for business meetings".
